*“Dawn Frail is a product of Toastmasters. From a shy, nervous and introverted young woman who crept unobtrusively into a club meeting 26 years ago, she has become a highly skilled and professional communicator who has the passion, vision and expertise to lead our District. Having had the privilege of working closely with Dawn in many business and Toastmasters projects for over 20 years, I am delighted to recommend her for the role of Club Growth Director. She will serve us all with integrity, respect and excellence.”*

# What do others say about Dawn?

## Passion

These are exciting times in the Toastmasters world. Among other things, we can look forward to the rollout this year of the Pathways Learning Experience. As this represents a major change to our education programs, it means that now, more than ever, we need strong leadership. We also need leaders with vision, integrity, and a passion for Toastmasters. District 60 is extremely fortunate to have a candidate with all those attributes in the person of Dawn Frail. I am proud to endorse Dawn for the position of Club Growth Director for her strength as a leader, for her vision, her integrity and most of all, for her passion for Toastmasters.

- Phyrne Parker, DTM, Past District Governor

As Club Growth Director, Dawn will make a fantastic ambassador for District 60. Her leadership skills shine through in everything she undertakes. I have no doubt that she will lead, teach and inspire others to actively participate in growing new clubs and strengthen existing clubs. She will be an outstanding addition to the District team.

- Joan Binetti, Past District Governor

## Leadership

I have known Dawn Frail since I began Toastmasters and was lucky enough to hear her story early on. Listening to her talk about her growth through the program made me believe that it was possible for me as well. I don't know if I would have stayed with Toastmasters so long without her influence. Dawn is a great leader who lifts people up, inspires, and encourages through her words and actions. Dawn's words of encouragement, support, and praise have given me confidence that I will always cherish. She has always talked about me in a way that I did not always see, inspiring me to work to live up to reputation she has given me. Dawn exemplifies what Toastmasters is about; growth, support and encouragement of fellow members, and promoting Toastmasters so that others can experience the life changing benefits of the program.

- James Brown, West Mall TM

Dawn Frail has always impressed me with her ability to interact with people - not just friends but strangers as well. She has run numerous workshops and worked on projects to help unite the districts. She is an organized person who can multi- task and has proven her abilities to be able to lead.

I would highly recommend Dawn Frail for your Club Growth Director and I know she will learn the role and bring great results to the table. She will be the leader that leads by example - with humility and training her team. She will be able to bring people together when there is a difference of opinion.

Dawn Frail is a win-win choice.

Doreen Hillier, DTM,  
PDG-86

## Integrity

Dawn is a veteran in the Toastmaster community who brings an abundance of knowledge and positive energy to everything she does. Her leadership skills and strength in mentorship will help her excel in the Club Growth Director role.

- Dayna Patterson, MBA, CTPD, CPCC

Indomitable. Passionate. Open. This is Dawn Frail. I can't think of anyone else I'd rather have representing us in the District.

- Ron J. Smith,  
1991 Sergeant At Arms,  
Front Street Speakers

## Vision

Dawn embodies the core values of TM - service, excellence, integrity and respect for fellow members. She inspires members, clubs and areas with her heart and soul. D60 will benefit immensely with Dawn as growth Director!
